Abdomen
abscess, intraabdominal, the view box (Love) 766
retroperitoneal fibrosis: Surgical Grand Rounds (Beal) 622
Abood, L. G., Recent developments in the chemistry and biochemistry of narcotics, 450
Abortion, case histories, ISMS Maternal Welfare Committee requests, 312
Acheson, D. C., Narcotics and their regulation—a lawyer's view, 432
Actinomycosis of appendix (Hinkamp) 665
Adolescence, patterns and profiles of addiction and drug abuse (Scher) 456
Africa, report on experiences in Swaziland (Soderdahl & Soderdahl) 42
Aged: See Geriatrics
Aging, cellular aspects of: 4 theories (Powell & Lewin) 613
Alcoholism, hospitals with special type of service, 197
Allergy, prevention and treatment of severe insect sting reactions (Miyamoto) 26
American Medical Association
code of medical practice regarding treatment of narcotic drug addiction (Gaffney) 516
ISMS delegates and alternates to, 135
Anesthesia, a little slice of death (Lauer) 653
Annual Reference Issue, August (Portes) 109
Anxiety reaction, general use of psychotropic drugs (Swanson & Smith) 642
Appendix, actinomycosis of (Hinkamp) 665
Atomic Energy, Illinois Legislative Commission on, 189
Attorneys: See Lawyers
Audiometers, recalibration for hearing tests, 688
Ausubel, D. P., Why compulsory closed-ward treatment of narcotic addicts? 475
Autopsy, performance, without permission, 232

Bashe, W. J., Jr., jt. auth. See Schnurrenberger, **P. R., 417**
Beal, J. M., ed., Surgical Grand Rounds, (Chicago Wesley Memorial Hospital) 308; 622; (Passavant Memorial Hospital) 422; 760
Becker, S. W., Jr., Practical points in diagnosis and treatment of pigmented lesions, 341
Bees, severe sting reactions, prevention and treatment (Miyamoto) 26
Bladder tumor, unusual (Beal) 760
Blanke, R. V., Non-criminal forensic pathology: panel discussion, 331
Blood pressure, hemo-dynamic effects of glucagon in the splanchnic area (Jensen & Necheles) 49
Blood Vessels, technique for improved visualization of umbilical vessels using glacetic acetic acid (Kravitz & Molina) 23
Brady, J. S., Election results significant for physicians, 755
Bressler, L., jt. auth. See Walsh, F. J., 47

California
Nalline Testing program of narcotic addicts (Wilson) 522
Rehabilitation Center for narcotic addict (Rubin) 494
Cancer of the rectum and pregnancy (Walsh, Portes & Bressler) 47
Cardiology, electronic, progress in (Heffernan) 775
Cellular aspects of aging: 4 theories (Powell & Lewin) 613
Chicago
Board of Health, diagnostic facilities for lead poisoning (Rose) 663
suicide in: a call for action (Kostrubala) 54
Wesley Memorial Hospital, Surgical Grand Rounds, 308; 622
Chicago Medical Society
delegates to the ISMS House of Delegates, 134
Children
current trends in child psychiatry (Spurlock) 31
functional hearing loss in (Stark) 628
hearing conservation tests, recommendations, 688
lead poisoning—a potential problem (Rose) 663
mentally retarded, use of perphenazine syrup (Kaplitz) 785
Choi, H. J., jt. auth. See Diamond, E. F., 668
Chyluria, the view box (Love) 651
Colon, toxic megacolon (Ensrud) 757
Consciousness, a little slice of death (Lauer) 653
Communicable Disease, procedures and reports, 231
Community health services, fragmentation of (Erickson) 40

Consumer Fraud Act, 229
Coroner, non-criminal forensic pathology, a panel discussion (Hartney & others) 329
County Medical Societies
officers, district number, number of members, 137
Cyclazocine, use of narcotic antagonists (Martin) 489
Cytotechnology, approved schools of, 220

Davis, M. E., and McKeown, M. J., Fetal distress: lessons of the fetal electrocardiogram, 332
Deafness, functional hearing loss in children (Stark) 628
Death, little slice of (Lauer) 653
Dermatitis, atopic, management with Synalar solution (Medansky) 413
Diamond, E. F., Purugganan, H. B., and Choi, H. J., Effect of prophylactic gamma globulin administration on infection morbidity in premature infants, 668
Dines, D. E., Donoghue, F. E., and Utz, D. C., Pulmonary tuberculomas simulating metastatic hypernephroma: report of case, 36
Disability, Group Disability Program of ISMS, 172
Disaster
hospitals in Illinois, pre-positioned packaged, directory of, 219
training packaged disaster hospitals, directory of, 220
DNA, cellular aspects of aging: 4 theories (Powell & Lewin) 613
Doctors: See Physicians
Dole, V. P., and Nyswander, M., Study of methadone as an adjunct in rehabilitation of heroin addicts, 487
Donoghue, F. E., jt. auth. See Dines, D. E., 36
Drug
Addict: See also Narcotic addict
addict and treatment (Raskin) 465
addicts, aftercare: missing link in rehabilitation (Egan) 500
addiction, drugs and people (Wheeler) 512
addiction, economic impact (Wilson) 522
addiction, epidemiology (Mattick) 436
addiction, patterns and profiles of, and drug abuse (Scher) 456
addiction, pharmacology and physiology (Sherrod) 453
addiction, sociology of (Lindesmith) 447
Drugs, psychotropic, general use (Swanson & Smith) 642

Economic impact of drug addiction (Wilson) 522
Egan, D., S. A., *Father*, Aftercare of drug addicts: the missing link in rehabilitation, 500
Electrocardiography
electronic (Heffernan) 775
fetal, lessons in fetal distress (Davis & McKeown) 332
Electronic cardiology, progress in (Heffernan) 775
Emergency
Good Samaritan Bill, 229
treatment, employment contract between physician and patient, 229
Emphysema, treatment, progress in (Head) 321
Ensrud, E. R., Toxic megacolon, 757
Erickson, H. M., Fragmentation of community health services, 40
Esophagus, dilatation, above a carcinoma, the view box (Love) 343
Ethics, interprofessional code for physicians and lawyers of Illinois, 232
Eye
Ear, Nose and Throat, hospitals with special type of service, 197
inflammation of the optic nerve head, differential diagnosis (Frenkel) 767
Evidence, admissibility in, of deliberations of tissue committees, 227

Fees, ISMS refuses to extend contract for military dependents' medical care (Thomsen) 782
Fetus distress: lessons of the fetal electrocardiogram (Davis & McKeown) 332
Films: See Motion Pictures
Fistula, arteriovenous, renal, the view box (Love) 558
Frenkel, M., Differential diagnosis of inflammation of the optic nerve head, 767

Gaffney, G. H., The position of the U.S. Bureau of Narcotics, 516
Galindo, O., Gastrophotography, 632
Gamma globulin, prophylactic administration in infection morbidity of premature infants (Diamond, Purugganan & Choi) 668
Gastrophotography (Galindo) 632
Geriatrics
cellular aspects of aging: 4 theories (Powell & Lewin) 613
Homes for the Aged, directory of, 216
Gintz, R. E., Cooperation—medical societies and industrial commissions, 659
Glacetic acetic acid to improve visualization of umbilical vessels (Kravitz & Molina) 23
Glucagon, hemo-dynamic effects of, in the splanchnic area (Jensen & Necheles) 49
Good Samaritan Bill, 229
Group Disability Program, 172
Group Major Medical Expense Plan, 172
Gynecology, hazards of radiation in (Lutterbeck & Hummon) 299

Hartney, J. B., ed., Non-criminal forensic pathology: a panel discussion, 329
Head, J. M., Progress in the treatment of emphysema, 321
Headache, management of (Pollack) 640
Health
national health legislation (Brady) 756
fragmentation of community health services (Erickson) 40
Hearing
conservation tests, recommendations for public health and school programs, 688
loss, functional, in children (Stark) 628
Heart
electronic cardiology, progress in (Heffernan) 775
fetal distress: lessons of fetal electrocardiogram (Davis & McKeown) 332
sarcoidosis of, associated with myocarditis (Peison) 317
Hematoma of mesentery, small bowel obstruction secondary to (Beal) 422
Heffernan, B. T., Progress in electronic cardiology, 775
Heroin
addiction, protective use of cyclazocine (Martin) 489
addicts, rehabilitation of, methadone as adjunct in (Dole & Nyswander) 487
Hinkamp, J. F., Actinomycosis of appendix, 665

Hirsch, E. F., Non-criminal forensic pathology: panel discussion, 329
Homes, directory of various types, 200 ff.
Hospitals
approved for internship, 179
disaster, pre-positioned packaged, directory of, 219
disaster, training packaged, directory of, 220
general, list of, 193
licensing, requirements, 193
psychiatric, commitment of patients to, 229
psychiatric, private, list of, 198
psychiatric, state, list of, 199
psychiatric, and clinics, list of, 183
with special type of service, list of, 197
Hummon, I. F., jt. auth. See Lutterbeck, E. F., 299
Hypernephroma, metastatic, pulmonary tuberculomas simulating (Dines, Donoghue & Utz) 36
Hypnosis, a little slice of death (Lauer) 653
